\* May substitute for the required credit for Physical Education  
 \*\* Satisfies the required credit for Technology Applications  
 \*\*\* May substitute for the required credit for Health Education

Students should take Advanced Placement (AP), International Baccalaureate (IB), dual credit, Advanced Technical Credit (ATC), or locally articulated courses, if possible.

This plan of study serves as a guide, along with other career planning materials, for pursuing a career path and is based on the most recent information as of 2007. All plans should meet High School graduation requirements as well as college entrance requirements. Students may select other elective courses for personal enrichment purposes.
